

Waterthorpe NI School

At Waterthorpe Nursery Infant School we make the journey for life long learning by all pulling together to:

- Learn and achieve
- Keep safe and happy
- Live healthily and enjoy ourselves

**Our Key priority for 2015~2016 is:
To work in partnership with
parents and families to enable
everyone to be fully involved with
their child's education and the life
of the school.**

This booklet explains how we plan to work on the priority above.

We will:~

Help families to understand what is expected for children to be able to do in each year group.
(Age Related Expectations)

Provide curriculum booklets for families to explain how we teach children in each area of their learning.

Humanities

Science

English

Music

Mathematics

Run curriculum workshops for families to join in and support your child's learning in a fun way.

Provide opportunities for families to join with family events in school.

Regularly consult with families through a range of ways e.g. questionnaires and focus groups.

Support families in understanding how we assess children in Key Stage 1 and the new Sheffield Assessment and Tracking system (STAT).

To support families in the Foundation Stage, with developing children's literacy skills, through the Raising Early Achievement in Literacy (REAL) project.

Through our Enhanced Healthy Schools work continue to work with children and families on health issues e.g. healthy teeth or diet.

We would welcome any feedback on our plans. Please write your comments on a piece of paper, along with your child's name and class, and return them to the school office.

Thank you for your continued support.
