Dear Parent / Carer,

Email: mward@westfield-admin.co.uk

Raising E-safety awareness: The importance of knowing the dangers on the internet

Thursday 25th February 5.30pm-6.30pm

As part of our on-going commitment to improving communication with parents, you are warmly invited to an e-safety awareness workshop held at Westfield school on Thursday 25th February between 5.30pm and 6.30pm.

The Westfield Family of Schools recognise the difficult challenges young people can face, we aim to provide them and yourselves with as much key information as possible to empower them to become safe users of the internet and mobile devices.

The main purpose of the workshop will be to learn about specific online concerns and dangers, which your son/daughter may face or be exposed to, and to find out how you can minimise the risks.

We will also offer age appropriate workshops for students in the Early Years Foundation Stage (EYFS) and Key Stage 1 (ages 3-7) and Key Stage 2 (ages 7-11) in a separate classroom led by Family of Schools staff and Year 10 student ambassadors. Please be aware we are unable to accommodate or supervise students any younger than this on this occasion.

We hope at the end of the evening you will feel you have a greater understanding and knowledge of the dangers your son/daughter may face and know where to go for help and advice if you have concerns. I hope to see you on the evening which I know will be a valuable and informative event.

Yours sincerely,

Mike Ward
Assistant Headteacher
