

Dear Parents and Families,

On Friday 6th May the Westfield Family of Schools are holding an Olympic torch relay. One of the Olympic torches is being carried around our schools by pupils in the Westfield Family.

The torch is arriving at Waterthorpe School from Mosborough School at 9:45a.m. Our children will be holding a celebration to welcome the torch and one child will be carrying the torch on to Emmanuel. (Fortunately a short journey for us.)

To welcome the torch we will be playing music, dancing and dressing in bright colours, like in a carnival, to link with the Olympic games being in Rio this year.

**Please can your children wear bright colours to school for our 'carnival' on Friday. (non-uniform).**

We will have our Birthday assembly at 9:15a.m. but will only give out reading certificates for merits as we need to finish at 9:30a.m. to go out into the playground and welcome the torch. Families attending assembly are welcome to stay and join us in the playground for the event. (If it is raining this will be in the school hall.)

Many thanks,

Helen Stokes
