WATERTHORPE KID'S CLUB INFORMATION REGARDING BOOKINGS AND PAYMENTS

Dear Parents and Carers,

As explained in a previous letter, from 1st June the new fee of £8.50 for Kid's Club Sessions will apply.

Between 7th and 17th June we are asking parents to sign a booking contract. Once signed the fee of £8.50 will continue. If a contract is not signed then there will be a surcharge of 50p per session, making a session £9 per day.

From 20th June 2016 a new fee structure is in place:

- Where parents sign a contract to agree to book places each week the charge per session is £8.50. (Parents can complete the contract to book a given number of days per week/month, and not state the days, to fit in with shift working.)
 - Additional bookings given 7 days in advance with a contract will be charged at £8.50
 - Additional bookings made **less than** 7 days in advance with a contract will be charged at £9
-
- Where places are booked and a contract is not in place the charge per session is £9
 - Where 7 days' notice of cancellation is not given the place will be charged for at full price
 - Where children are ill and do not attend their booked session the place will be charged at half price

The new Kid's Club Booking Contract is attached. Please complete this and return to the school office. A copy will be returned to you.

Where you do not wish to complete a Booking Contract all places will be charged at £9 per session. Please return the attached to school by 17th June 2016.

Kind Regards,

Helen Stokes (Chair)
