

KS1 Christmas Multi Skills Festival.

The children in Y1A are invited to Westfield Secondary School on Friday 9th December to participate in a Christmas Multi Skills festival run by sports leaders.

The children will develop skills such as speed, agility, co-ordination and balance but all through a Christmas theme. There will be plenty of Christmas music, games and prizes to be won.

We will be leaving school at 12.00pm to walk to Westfield and will be back for the end of the school day.

All children will need:

- packed lunch
- P.E kit
- Extra drinks

If you would like to help supervise the children on this trip, please see your Mrs Appleby.
