

Dear Parents and Carers

The theme for this half-term's work on developing children's social, emotional and behavioural skills is 'Going for goals!' We will be exploring how children can motivate themselves in their learning and across the school. As part of the theme they will be asked to set their own goals, think about how they learn best and consider how they might make wise choices.

Attached to this letter is an activity which you may like to do with your child and then return to school. Children who return their work will be awarded with a certificate in the SEAL celebration assembly.

I will be happy to talk about this with you if you would like to.

Suzanne Marriott (SEAL co-ordinator)

Going for goals! 3

Learning something new

It is your challenge to teach each other something. It could be anything you like, but if you can't think of anything then here are some ideas.

-  A poem or a song
-  How to make something
-  How to knit or crochet
-  How to cook something special
-  How to count up to 10 in French or another language
-  How to play a playground game
-  How to play a computer game
-  The names of everyone in your group at school
-  The names of people at work

If you like, you could draw or write about what you are going to teach each other.
