

Humanities - things you can do at home

- Visit local museums
- Talk about weather patterns
- Discuss historical events
- Create opportunities for your child to go on walks in their local environment
- Visit the seaside
- Look at road signs
- Talk about different places you have visited and compare them with home
- Make a map of your route to school
- Mark on a map places you have visited
- Collect leaflets on days out
- Use geographical language when you are out e.g. river, valley, mountain
- Set up simple treasure hunts - following instructions/clues
- Talk about the seasons - make collages/pictures
- Make a 'weather station' - collect the rain
- Visit a castle
- Talk to grandparents about what it was like when they were at school/different toys etc. - make a 'now' and 'then' list
- Make a simple family tree
- Use the internet to research historical events
- Order photos on a timeline
