

Scooter Skills

Tuesday 1st May 2018

In our Pupil Travel Plan consultations lots of children said they would like to ride their scooters more often. We have been able to arrange some scooter sessions. This is a fun day for your child to learn scooter skills during school time. The children will work on scooter skills in the playground.

Please note there is a limited amount of places for this so apply early.

Your child will need to bring:

- Their scooter
- warm outside clothes including **gloves**

Complete the application and return to school as soon as possible.

Scooter Skills Sessions 1st May

Child's Name:.....

Class:.....

My Child would like to participate in scooter skills training on Tuesday 1st May.
