

Family of Schools Diabetes
Awareness Raising day
Tuesday 26th January 2016

The Westfield family of Schools have planned to hold a diabetes awareness raising day on Tuesday 26th January.

We would like your support, on the day, by joining us for our 'Go Blue' theme. **Children can come to school in anything blue!**

During the day the children will meet someone with type 1 diabetes and will learn more about what this can mean for a child and how it is treated.

It is also important for children to begin to understand the effects of diet on the body, as Type 2 diabetes in older people has reached very high numbers across the country. Diabetes now touches the lives of many of us.

There will be a table, in the office reception area, where you can collect leaflets and other materials about diabetes.

If you would also like to make a small donation to the Diabetes UK campaign we will have a collection box for children to use.

We look forward to seeing a 'Blue School' next Tuesday!
