

Easter Garden 2016

Dear parents, carers and families,

Our Easter Garden assembly is on Tuesday 15th March at 9:15a.m. Everyone is welcome to join us for this assembly.

This year our Y2 children will be performing the spring songs that they have been working on through the Family of Schools Singing Festival. Some Y2 children will also be telling the Easter story.

During the assembly all children will come to the front where they will be able to bring any flowers/plants, which they have brought, to help build our garden. A small plant, a few daffodils or a sprig of catkin from each child always builds a beautiful garden in our school hall.

Easter Bonnets 2016

Please help your child make a simple Easter bonnet for our parade on 16th March.

The simplest, child-made bonnets are always the best. We will be judging and awarding some prizes for creative bonnets made by children.

World War 2 Day in Emmanuel

On 17th March our Y1 and Y2 children will be visiting Emmanuel to take part in the World War 2 work and celebrations that the Junior children have planned for us. We have not been asked to get dressed up and children should come to school in their usual uniform. Children will start and end the day in their usual Infant classroom.
