

WATERTHORPE NURSERY INFANT SCHOOL

SPONSORED Obstacle Thursday 19th MAY 2016

We have hired an inflatable obstacle course for our sponsored event. The children really enjoy the day and all the money raised will help to provide new picnic tables for the playground. The maximum number of laps will be 5.

Please collect your sponsors (sponsor sheet attached) and bring the form to be signed on the day of the event.

Prizes will be awarded to the children who raise the most money in each class.

Thank you for your continued support.
