

Open Evening/Parent's Meeting:
Thursday 22nd September 5:30p.m.

This is a reminder that On Thursday 22nd September at 5:30p.m. we are holding an Open Evening/Parent's Meeting for families of children in Y1 (Blue Base) and Y2 (Yellow and Green Base). **This is a very important meeting** where you will be able to find the answers to the many questions that we get asked during the year, such as:

- What homework will my child get this year?
- What are the words that they have to learn to spell?
- How can I help my child to do their best?
- What tests will my child have to take at the end of the year?
- What is my child expected to have learnt by the end of this year?

This is also a good opportunity to meet the adults who will be working with your child. The meeting will last about 30 minutes and there will be an opportunity for you to talk individually to the teacher at the end if you wish.

We have incorporated the Maths Bag Workshop into this meeting. If you wish your child to have the opportunity to borrow a Maths Bag each week you will be able to sign up at the meeting. (Please note Maths Bags can only be borrowed following attendance at a meeting).

The meeting for Year One parents will be held in Blue Base.

The meeting for Year Two parents will be held in Yellow Base.

There will also be a demonstration, in Green Base, of our Easimaths electronic maths programme which your child will be able to access at home if you come along and arrange to receive a password.

Children do not need to attend this meeting. If you do not have any childcare we are able to look after some children in Red Base whilst you attend the meeting. Please bring them to Red Base at 5:25p.m.

Please come along, as this is one of the most important meetings of the year and families really do need to know what is expected of your child this year.
