

Dear Parents and Carers

The theme for this half-term's work on developing children's social, emotional and behavioural skills is 'New Beginnings'. Over this half term the children will be exploring how to create a learning environment that helps the children learn together in a happy, busy and safe way. They will also learn about the feelings they have when they are happy, sad, scared and excited, and how to manage these feelings in the classroom.

The 'New beginnings' theme started with an assembly and is now being followed up in class.

**Attached to this letter is an activity called 'New Beginnings' that you could do together with your child. Once completed, we would like your child to return the activity sheet to school; they will then receive a certificate. (Their work will also be returned).**

Talk about the rules in school and why we need them. Talk about the rules there are in your home and why you need them. Write a list if you want to.

Talk about all the jobs that are done in your home and who does them.

Job or responsibility	Who does the job?

Is it fair?

If it isn't fair, can you make any changes?
