

'Imagination Gaming' Family Workshop  
and 'Games in a Box' After School Club

Dear parents, carers and families,

On Friday 12<sup>th</sup> January we are holding an 'Imagination Gaming' Day for children in Year 2. The children will learn to play some exciting board games that they may not have seen before. These are games where they learn skills and develop strategies, rather than games based on luck.

We would like to invite Y2 parents to our Family workshop at 3:15pm on 12<sup>th</sup> January, where you will have the opportunity to learn a new game with your child.

We hope that you can join us. Younger and older children are welcome to come along too.

Following this event, we will be left a wide selection of games to use in our after school games club. If you haven't already signed your child up for this club you may want to see if they want to come. If so, tick the box below. We are sure the children will want to attend our club following the gaming day.

Please return the attached slip to let us know:

- If you will be attending the workshop
- If your child would like to apply for a place in the 'Games in a Box' club on Tuesdays in the Spring term.
