

We have several parents who sit on our governing body. They attend termly full governor meetings, sit on committees, attend training and make visits to school. Parent governors have an important role in our school community and they contribute to the plans for the future of the school. Meetings and training are sometimes held during the day, after school or occasionally at weekends. Some employers will give staff leave of absence to fulfil governor duties.

If you are interested in being a parent governor, and feel that you could commit the time to this role, please write a short letter about yourself containing the following information and we will get in touch with you to arrange a meeting.

- Your name
- Your children's names and ages
- Your job, skills and interests
- Why you would like to be a governor
- What you feel you can offer to the governing body
- Anything else you want to tell people

**If you are interested in being a school governor, please return your information to the school office by 25<sup>th</sup> January.**
