

Walk to School I-Spy

What did you see on your way to school?

Name: _____ Class: _____

Walking to school is a great way to keep active and healthy. You can also spot lots of interesting things on your journey.

Tick the box on the chart below when you spot the item. You might like to draw a picture of what you saw, or count how many you see.

Church	Post box	Bungalow	Grass	Flowers
Bicycle	Pushchair	Bus	Motorcycle	Road sign
Shop	Scooter	Dog	Cat	Bird
Insect	Spider	Zig Zags	Lorry	Leaf
Red Car	Umbrella	Yellow Car	Gate	Lamp Post

What was the smallest thing you saw

What was the most unusual thing you saw

What was the best thing you saw.....

Walk to School I-Spy

10-Day Active Travel:

On Monday our 10-day Active Travel begins. We would like to encourage families to walk, cycle and scoot to school.

Free Family Breakfast:

To launch this event, we would like to invite you and your child to our free family breakfast on Monday 14th October in the school hall from 8:15am.

Walk to school I-Spy:

Overleaf you will find our Walk to school I-Spy. Families are encouraged to complete this on their school journey. Please bring completed entries into school on Monday and either hand them in at the breakfast event or pass to your child's teacher or Key Worker. We have some prizes for winning entries.

Learn to Ride your Bike sessions:

Unfortunately, we have to postpone these sessions as Paula is unable to join us due to family illness. We will contact everyone who has applied when a new date is arranged.

Thank you,
Helen Stokes
