

Scooter Skills

10th March 2020

As part of our Travel Plan work we are encouraging children to ride their scooters more often as this helps to develop core strength and co-ordination. We have been able to arrange some scooter sessions. This is a fun day for your child to learn scooter skills during school time. The children will work on scooter skills in the playground.

Please note there are limited places for this, so apply early.

Your child will need to bring:

- Their scooter
- warm outside clothes including **gloves**

Complete the application and return to school as soon as possible.

Scooter Skills Sessions 10th March
