

Dear Parent/Guardian,

Dr Bike is coming to Waterthorpe Nursery Infant School

On the **Thursday 19th November** the school will be having a ‘Dr Bike Session’.

Any pupils that cycle to school on the above date will get a **free safety check for their bike**. There are a limited number of places so its first come first served!

So what does that involve?

- Every bike will be checked over to ensure that it is safe to ride
- Bikes will have tyre pumped up and chains lubed if needed
- All nut and bolts will be checked for tightness
- Brakes will be tightened and checked

Please note as I cycle to school, the equipment I can carry is restricted. In some cases, some parts may be replaced, but with the time and resources available some things will not be possible to fix. There will be a note of the checks done and any work undertaken attached to all bikes which have been seen. **The Dr Bike is fully risk assessed and will be conducted in line with current government guidelines for Covid 19.**

I look forward to seeing you there.
Happy pedalling!

Paula Edwards
